At the moment, there are **73** dishes and drinks on the menu. ****Restaurant Review: A Mixed Bag at Local Subway Gem**** This local Subway offers a lively atmosphere and a promise of great sandwiches, but operational issues dampen the experience. Customers report long waits due to technical difficulties and staff shortages, with limited parking complicating access. Although one dedicated employee, Jean, shines with exceptional service, the inconsistent team dynamics leave room for improvement. While new menu items entice, prices may seem high for some. Overall, the restaurant captures a community spirit, but better organization is essential to fully realize its potential. With some changes, it could easily become a beloved local favorite.
