The menu of Kfc from Lewiston comprises about **74** different courses and drinks. On average you pay about \$15.2 for a dish / drink. At this KFC location, experiences vary widely. While some patrons rave about the consistently hot and fresh chicken, speedy service, and friendly staff, others express frustration over limited menu options and unwelcoming late-night visits. Nostalgic diners find the current offerings a far cry from the classic flavors of their youth. Despite some cleanliness concerns and occasional disappointments, many appreciate the quick service and the courteous demeanor of employees. For those seeking a reliable fast-food fix, this KFC may suffice, but traditionalists might prefer to seek comfort in alternative local eateries.
