At the moment, there are **74** menus and drinks on the menu. ****Restaurant Review: A Mixed Bag of Experiences**** Nestled in a historic setting, this restaurant boasts a rustic atmosphere and is known for its burgers and beer. However, patrons often find it pricey for what they receive, with strict menu offerings and inconsistent service. While some enjoy the nostalgic charm and food quality, others express disappointment over long waits, chaotic staffing, and underwhelming dishes like sliders.

The loss of delivery options and troublesome parking add to the woes. Despite these setbacks, the establishment still attracts a crowd, hinting at its long-standing appeal among locals seeking a casual dining experience.
