The restaurant from Berkeley offers **86** different **dishes and drinks** on [the menu](#) for an average price of \$15.4. In the heart of Berkeley, a Persian restaurant invites diners to experience the rich flavors of Iranian cuisine. While some patrons rave about the authentic tahdig and attentive service, others voice concerns over long wait times and unsatisfactory dishes, leading to mixed feelings. Discrepancies in menu pricing and inconsistent food quality, such as bitter salads and unremarkable baked goods, have marred the experience for some. Yet, many highlight the warm atmosphere and delicious offerings, asserting it to be a standout in the Bay Area. Despite varied experiences, the allure of Persian cuisine continues to draw curious food lovers to this establishment.
