The restaurant from [LEPPINGTON](#) offers **76 different dishes and drinks on the menu for an average price of A\$11. ****Dining at McDonald's: A Mixed Bag at Emerald Hills**** McDonald's at Emerald Hills presents a contrasting dining experience. While the indoor playground attracts families seeking a cool retreat, cleanliness and service leave much to be desired. Customers noted unkempt tables and long wait times, with staff appearing overwhelmed. On the brighter side, the drive-through consistently shines, with commendable efficiency and cheerful service. However, issues like unavailable menu items and poor communication have marred visits. Overall, while families appreciate the playground, the inconsistencies in service and ambiance suggest that improvements are urgently needed to enhance the dining experience.**
