The **menu of Roots Restaurant and Bar** from Vancouver includes **77** menus. On average the *menus or drinks on [the menu](#)* cost approximately \$19.3. You can view the categories on the menu below. This popular restaurant has received a mix of reviews from customers. Some were disappointed with the lack of flavor in dishes such as halibut, stuffed chicken, and filet mignon, as well as watery mashed potatoes. The limited white wine list also left customers wanting more. One reviewer noted an unpleasant experience with a server who was seemingly unhygienic. However, others praised the excellent guacamole and overall tasty, well-prepared food. The outdoor dining experience on the sidewalk was enjoyable for some. Another group of diners were impressed by the outstanding quality of food and service, as well as the quiet yet full environment of the restaurant. Despite mixed opinions, many patrons expressed loyalty to Roots, praising the food, service, and welcoming atmosphere.
