Dine Out Vancouver at Hook Restaurant provided an average experience, with a grainy texture on the lemon dessert. However, an overall positive impression was left by the friendly staff, delicious food, and impressive Happy Hour selection. Customers praised the efficient service, tasty food like yam fries and fish tacos, and the beautiful beach view. Despite some minor issues such as an overcooked steak, the top-notch service and delectable dishes at the English Bay location made it a favorite spot for many. The fresh oysters and seafood dishes were especially recommended for a special night out with a view.
