Here you will find the [menu](#) of **Top of the Market** in San Andreas. At the moment, there are **80** menus and drinks on the menu. Located overlooking San Diego Bay, this restaurant offers stunning views and a limited menu of very tasty food. While the prices were a bit high, the outstanding wait staff more than made up for it. The atmosphere was fun and lively, with amazing salsa and original drinks. However, some diners found the food to be overcooked, with burnt marks on every dish. Despite this, the birthday dinner was wonderful, complete with a special surprise dessert. For those who enjoy watching their food being prepared, sitting at the desk near the grill can be a treat. Overall, this restaurant is a destination spot for visits to San Diego, offering delicious food and great service in a charming location.
