The place from Amarillo offers **83** different **courses and drinks on [the menu](#)** at an average price of \$5.6. This recent visit to a local Subway location proved disappointing, marked by unkempt surroundings and an uncaring staff. Upon arrival, customers were met with dirty tables and a disorganized dining area, leaving much to be desired in terms of cleanliness. Service was lackluster, with employees displaying unprofessional attitudes and a lack of knowledge about menu items. Frustration grew as popular bread options were unavailable. Despite its promise of customizable sandwiches and a variety of sides, this particular Subway falters dramatically, suggesting prospective diners might be better off skipping this franchise altogether.
