The menu of Panda Express from Sterling Heights comprises about **84** different dishes and drinks. On average you pay about \$66.7 for a dish / drink. Panda Express, typically a go-to for quick meals, has suffered a significant decline in quality at some locations, leaving loyal customers disheartened. Reports of subpar dishes, such as mushy chicken devoid of expected flavors, cold soggy rice, and meager portion sizes have emerged repeatedly. Additionally, customer service woes, including unhelpful management and incorrect orders, have compounded frustrations. Despite a history of satisfaction, these experiences have prompted some diners to seek alternatives, questioning whether this once-favorite chain can reclaim its culinary reputation or if diners must look elsewhere for fulfilling fast-casual dining.
