**The menu of The Basac from FLUSHING** contains about **84** different courses and drinks. On average you pay about \$13.4 for a dish / drink. At The Basac, diners are greeted with a cozy ambiance and a diverse menu that promises delightful culinary experiences. While the pork chop and cheese tonkatsu receive high praise for their juicy interiors and satisfying flavors, opinions on the corn dogs vary, with some finding them overrated. The fried chicken, however, falls short of expectations, lacking the desired crispiness. Despite a few service hiccups, including missed orders and inconsistent staff attitudes, the overall experience is marked by affordability and quality. Whether craving classic Korean dishes or unique twists, The Basac remains a tempting dining destination in [FLUSHING](#).
