The restaurant from Dolton offers **143** different **dishes and drinks on [the menu](#)** for an average price of \$11.3. Diners at this local Moroccan restaurant have shared varied experiences, highlighting both flavorful delights and disappointing misfires. While some rave about the delicious hummus, fresh juice, and well-seasoned vegan options, others criticize the blandness of traditional dishes like tagine and shawarma, noting they don't reflect authentic Moroccan flavors. Service issues are frequently mentioned, with reports of incorrect orders, slow delivery, and underwhelming staff interaction. The ambiance, however, garners praise for its charm. Overall, while the restaurant shows potential, a consistent commitment to traditional recipes and improved service could enhance the dining experience significantly.
