The menu of Treno Pizza from Westmont comprises about **136** different dishes and drinks. On average you pay about \$12.1 for a dish / drink. At Treno Pizza Bar, diners find themselves navigating a spectrum of culinary outcomes. While some dishes, like the meatball pizza and shrimp cacio e pepe, garner praise for their flavor and creativity, others are met with disappointment, including soggy crusts and underwhelming wings. Service varies, with commendable attentiveness from certain staff members contrasted by lapses that leave guests frustrated.

The atmosphere is lively, but the noise level can impede conversation. Affordable happy hours and a distinct dessert selection add appeal, but inconsistent food quality and chaotic service might deter repeat visits. Overall, Treno offers potential but needs refinement.
