The restaurant from El Paso offers **88** different **menus and drinks on [the menu](#)** for an average price of \$8.6. Nestled amidst mixed reviews, this local Carl's Jr. offers a tantalizing menu highlighted by delicious French fries and the acclaimed No. 1 combo. While many patrons rave about the freshness of the ingredients and the double western burgers, service issues plague the establishment. Customers report unwelcoming staff, painfully slow drive-thru times, and incomplete menu offerings that diminish the experience. Additionally, concerns over hygiene and safety have been raised, impacting customer trust. Despite these drawbacks, those willing to overlook the hiccups may still find satisfaction in the quality of the food, though returning might be a challenge for some.
