The place from Mesa offers **88** different **dishes and drinks on [the menu](#)** for an average price of \$44.8. Panda Express at the Dobson and 202 location has received a barrage of criticism, primarily for its subpar food quality and disappointing customer service. Diners have reported receiving stale, cold meals with unappetizing flavors, particularly the orange chicken, which many claim is often undercooked. The atmosphere is marred by unhelpful staff, who dismiss complaints and fail to address the issues, leaving customers feeling undervalued. While there are isolated instances of positive experiences, the overwhelming sentiment suggests that this location falls short of the brand's standards, prompting many patrons to vow never to return.
