The *menu of KFC* from Concord includes **89** dishes. On average the **dishes or drinks on the menu** cost approximately CA\$18. You can view the categories on the menu below. Despite some negative experiences with the food quality and service, this KFC/Taco Bell location offers a convenient combination of [fast food](#) options with indoor seating. The staff are efficient and honest, ensuring customers get the best deal possible. However, issues with long wait times, dry chicken, and delivery mishaps have left some diners frustrated and dissatisfied. While some may appreciate the \$5 sandwich deal or daily specials, others have decided to take their business elsewhere. Overall, the restaurant seems to struggle with consistency in food quality and service, with improvements needed to regain customer trust and satisfaction.
