The **menu of Java Loco** from Alexandria includes **90** dishes. On average the *dishes or drinks on [the menu](#)* cost approximately \$6.8. You can view the categories on the menu below. Nestled in a convenient location, this café offers a mixed bag of experiences for patrons. While some rave about its friendly staff and comfortable atmosphere, others criticize the quality of its coffee and food, likening the baked goods to Costco offerings. The espresso drinks often miss the mark, with reports of poor ratios and overly sweet tea-based options. However, its bubble tea stands out as a highlight. Despite the inconsistency, many appreciate the casual vibe, making it a decent place for a quick stop or to relax with a drink, though some feel it's not worth the higher prices.
