The menu of White Castle from Hasbrouck Heights comprises about **90** different courses and drinks. On average you pay about \$2.3 for a dish / drink. While some diners have enjoyed the friendly service and nostalgic flavors of White Castle, others have been disappointed by inconsistent food quality and service issues. Many patrons praised the staff as welcoming and efficient, particularly during busy hours. However, complaints about stale burgers, lack of beef, and even unappetizing surprises like hair in food have surfaced. On the positive side, signature items like onion rings and cheeseburgers received high marks, with some customers reminiscing fondly about their favorites. Overall, while the atmosphere and service impress, it seems the food may need closer attention to detail.
