While the drive-through offers speedy service and hot, accurate orders, the dine-in experience can be frustrating, with inconsistent hours and a reliance on an app that can malfunction. Guests have noted polite and efficient staff members, yet there are complaints of rudeness during closed hours. Despite these challenges, loyal patrons cherish nostalgic favorites, such as the Frosty and fries, while new items like the Loaded Nacho Chicken Combo and Pumpkin Spice Frosty receive rave reviews. Overall, stick to the drive-through for the best experience.
