The menu of Sonic Drive-in from Flemington comprises about **91** different dishes and drinks. On average you pay about \$7.8 for a dish / drink. At this popular dining spot, guests often rave about the delicious cheeseburgers and chicken tenders, complemented by their speedy service and hot, fresh food. However, some patrons express concerns regarding the ordering system, noting the absence of touchscreen menus and drive-thru pick-up options, which could pose challenges for deaf individuals. While most shakes are typically enjoyed, recent experiences have highlighted issues with presentation and safety when cups break. Despite these drawbacks, many customers appreciate the nostalgia of items like corn dogs and indulgent desserts, making it a satisfying fast-food choice for a quick meal on the go.
