The restaurant from Upper Arlington offers **92** different **menus and drinks on [the menu](#)** at an average price of \$13.2. Marco's Pizza offers a mix of experiences. Many praise the large, fresh dough, authentic flavors, and friendly, attentive staff who provide quick service and resolve issues efficiently. Frequent customers appreciate consistent quality and helpfulness, with occasional standout employees receiving special mention. However, there are concerns about hygiene practices and occasional disorganization, including delayed orders and incorrect deliveries, which have caused frustration. Some also note the lack of guest Wi-Fi connectivity and power outlets as inconvenient. While prices are slightly higher, discount specials help balance value. Overall, Marco's impresses with its pizza quality and service but has room for operational improvements.
