The restaurant from [Fords](#) offers **93** different **dishes and drinks on [the menu](#)** at an average price of \$13.0. The dining experience at this restaurant presents a varied tapestry of opinions. While many patrons rave about the outstanding [pizza](#), particularly the Margherita, others express disappointment in certain menu items and pricing. Highlights include pleasant customer service and generous portions, especially with the empanadas. However, critiques point to inconsistent food quality, with some salads falling short and toppings becoming stingy. Overall, while the establishment has its passionate advocates, it faces challenges in maintaining consistent quality across its offerings, making it a hit or miss for diners seeking reliable satisfaction.
