The menu of *Papas Drive Thru* from Flint includes **94** dishes. On average the **dishes or drinks on [the menu](#)** cost approximately \$8.7. You can view the categories on the menu below. The restaurant in question leaves diners with mixed feelings about both food quality and service. The Crispy Chicken Sandwich is particularly criticized for its lack of substance and crispness, while some others laud the tasty rib tips and okra. Although many appreciate the food's quality over fast-food alternatives, inconsistency in pricing and order accuracy raises concerns. Service can be slow, though staff are often friendly and accommodating. While loyal patrons find potential in the menu, a high price tag for home-cooked style meals might lead guests to seek satisfaction elsewhere. Overall, it's a culinary gamble.
