The restaurant from [Palm Springs](#) offers **95** different **dishes and drinks on the menu** at an average price of \$19.5. Nestled within a chic hotel, this restaurant boasts a vibrant ambiance and a menu that delights with several strong offerings. Diners praise the fresh and well-prepared dishes, including standout items like the Desert Pizza and kale Caesar salad. However, service consistency has drawn mixed feedback; some guests noted delays and confusion, particularly regarding the cocktail offerings. The attentive staff, though limited in number, often left a positive impression. While some menu items leave patrons questioning their choices, many agree the experience remains inviting and worth returning for, particularly for brunch. With room for improvement, the potential is certainly palpable.
