Words are not enough, and they sometimes aren't  
the right words, but we want to say something.  
Racism should have no place in society.  
Not now, not ever. It cannot be tolerated.

Our hearts are breaking, for our Black Team Members,  
Operators and Staff and all those in the Black  
community who are suffering and who have suffered  
for too long because of racism. At Chick-fil-A®, we  
know we have a role in moving all of us forward.

We will listen.  
We will be intentional.  
We will share.

We will act to build bridges  
— to spread care and hope into our world —  
today and always.
