A comprehensive [menu](#) of McDonald's from [Rogers](#) featuring all 99 meals and drinks can be found here on the menu. This restaurant has seen a decline in quality, with reports of lukewarm food and rude service overshadowing some positive aspects. Many customers expressed disappointment over cold burgers, incorrect orders, and long wait times, all while prices have climbed. However, a few patrons noted fast service and fresh, hot meals, highlighting occasional glimmers of hope amidst the frustrations. Operational inconsistencies, like broken machines and unexpected closures, further mar the dining experience. While some appreciate the ample parking and convenient drive-thru, the overall sentiment leans toward dissatisfaction, leading many to consider this location a last resort.
