On this website, you will find the **complete [menu](#) of Red Robin Gourmet Burgers And Brews** from [Gresham](#). Currently, there are **111** dishes and drinks available. ****Red Robin: A Mixed Bag of Experiences at Gresham**** For patrons of the Gresham location of Red Robin, dining experiences vary widely. While some customers report fantastic service and delicious meals, others express frustration over food quality and service delays. Common complaints include improperly cooked burgers, cold fries, and confusion over promotional offers like free birthday burgers. However, recent visits indicate improvements, with more attentive staff and hot, fresh meals. The restaurant's atmosphere remains inviting, though some patrons suggest changes to food presentation. While the promise of a rewarding dining experience exists, it seems dependent on timing and staff performance.
