The menu of Jalisco's Mexican from Ruston contains about **100** different dishes and drinks. On average you pay about \$8.8 for a dish / drink. Jalisco's Sabroso promises a mixed dining experience that elicits strong opinions. While some patrons rave about the authentic flavors, generous portions, and standout dishes like cheese enchiladas and Chicken and Rice, others express dissatisfaction with service consistency and food quality on certain visits. Friendly waitstaff often elevate the experience, yet slow service and order inaccuracies can disappoint. Despite fluctuations, many appreciate the vibrant salsa and well-seasoned meals, making it a beloved spot for those seeking a taste of home. For a fulfilling meal, just be prepared for the occasional wait. Overall, it's a place worth trying, with potential for both highs and lows.
