While some dishes shine, others disappoint. The Bistro salad and Buffalo Macaroni and Cheese draw praise for their fresh flavors, but items like the Peach Prosciutto Crostini and fried dumplings leave diners wanting more. Menu highlights include the Thai Salmon Wrap and excellent peanut butter pie, though some entrees lack depth. Prices are on the higher side, but the cozy setting and ability to accommodate dietary restrictions attract loyal patrons. Overall, Six Burner Bistro provides memorable moments, albeit with inconsistencies in the kitchen.
