The menu of Scratch Spokane from Spokane comprises about **102** different dishes and drinks. On average you pay about \$23.5 for a dish / drink. A restaurant with amazing views but mixed reviews on the food and service. Customers expressed disappointment with overcooked steaks, lackluster mushroom soup, and low-quality Caesar salad. However, others had a great experience, praising the clams, smoked duck, and wedge salad. The owner's personal touch and attentive service stood out positively for some diners. The unique menu offerings and beautiful views of Vancouver also received high praise. Overall, the restaurant seems to have a divide between those who had exceptional experiences and those who left unimpressed.
