**+16106851677**

The place from [Reading](#) offers **102** different **dishes and drinks on [the menu](#)** at an average price of \$16.0.

**\*\*Restaurant Review: A Mixed Bag with Promising New Flavors\*\*** A recent dining experience at this long-established restaurant reveals a blend of enthusiasm and frustration. While some patrons lamented issues with incomplete orders and portion sizes, others praised the quality of the food, particularly the freshly made pastelillos now offered under new management. The restaurant has stood the test of time, maintaining respectful service for over a decade. With an expanded menu featuring hot lunches and affordable meat packages, it shows potential for improvement. However, consistency in order fulfillment and attention to detail will be crucial for retaining loyal customers amidst the changes.
