You can view the categories on the menu below. ****Restaurant Review: Lisa's Pizza - A Mixed Bag of Experiences**** Lisa's Pizza, located in [Rodanthe](#), has garnered a range of opinions from visitors.

While many praise the crust and unique offerings, such as chicken pesto [pizza](#) and garlic breadsticks, others have been disappointed by bland flavors and lackluster service. Recent changes, including reduced dining hours and a busy takeout line, have frustrated loyal customers. However, the warm hospitality from some staff members and the quality of the food have made it a favorite for others. Overall, diners are encouraged to visit, but experiences may vary widely depending on timing and expectations.
