The place from Kettering offers **104** different **dishes and drinks** on [the menu](#) for an average price of \$8.7.

Dining at this restaurant presents a variety of experiences, from delightful ambiance and friendly service to culinary disappointments. While some dishes, like the Super Burrito and shrimp fajitas, earned praise for their flavors, patrons frequently noted issues with portion sizes and food temperatures. Cold servings of items like Pollo Loco and White Cheese Dip detracted from the overall satisfaction. On the positive side, the welcoming atmosphere and attentive staff created a pleasant dining environment. However, inconsistency in food quality may leave some customers hesitant to return. Ultimately, this restaurant offers potential but needs focus on execution.
