The **menu of House Of Thai** from Dayton includes 104 dishes. On average the **dishes or drinks on the menu** cost approximately \$13.8. You can view the categories on the menu below. Nestled in the heart of Dayton, this Thai restaurant has garnered mixed reviews, yet many patrons rave about its authentic cuisine and vibrant atmosphere. Diners applaud the flavorful dishes, particularly the papaya salad and curry puffs, while some express disappointment over portion sizes and inconsistent flavors, such as overly salty sweet and sour chicken or bland beef pepper steak. Service quality also receives scrutiny, with diners noting infrequent water refills and obligatory gratuity for larger parties. Despite some delivery challenges and occasional menu duds, the restaurant remains a beloved local spot, ideal for both casual takeout and enjoyable dine-in experiences.
