The restaurant from Leesburg offers **106 different menus and drinks on the menu** at an average price of \$13.4. Atul Purohit Garba offers a mixed dining experience, marked by a blend of commendable flavors and significant service challenges. While many dishes, such as the vegetarian-friendly Rajasthani thali, Dal Baati, and Paneer Tikka Masala, impress with their authenticity and taste, the restaurant has been criticized for disorganized service and delayed orders. Reports of mismanagement and understaffing have left patrons frustrated, particularly during busy events. Despite the complaints, some guests praise the warm service and decent food quality, suggesting that while the culinary offerings have potential, operational improvements are urgently needed to enhance the overall dining experience.
