The menu of Bald Butcher from Covington comprises about **106** different dishes and drinks. On average you pay about \$7.1 for a dish / drink. In the heart of Covington, this restaurant has become a contentious dining destination. While long-time patrons fondly recall its excellent barbecue, fried chicken, and homemade desserts, recent experiences reflect a decline. Customers describe the buffet as lackluster, with flavors overshadowed by excessive frying and unappetizing salads. Confusion in service, particularly regarding menu items, adds to frustrations. Yet, dedicated regulars remember the warm atmosphere and diverse menu that once made it a favorite, highlighting the need for a revival of its former culinary glory. For those seeking comfort food on a budget, it remains a mixed bag of nostalgia and disappointment.
