The menu of La Empanada Llama from Albany comprises about **106** different dishes and drinks. On average you pay about \$17.7 for a dish / drink. Peruvian Delights offers a colorful dining experience that evokes the spirit of Peru, featuring a wide array of traditional dishes. While some guests praised the freshness and authentic flavors of the food, particularly the empanadas and plantains, others were disappointed by inconsistencies in taste and presentation. Service experiences varied, with some patrons noting friendly staff, while others encountered a lack of helpfulness. While many appreciated the variety and some standout options like vegan choices and the platter for new diners, the restaurant's uneven execution leaves room for improvement. Overall, it's a place with potential that may delight some and deter others.
