**The menu** of Golden Bowl from **Van Nuys** comprises about **107** different dishes and drinks. On average you pay about \$10.8 for a dish / drink. Nestled in a corner strip mall, this teriyaki spot has earned a devoted following thanks to its generous portions and flavorful dishes. Diners rave about the chicken, often recommending it over thinner sliced beef, while the friendly staff, especially standout employees like Francisco, elevate the experience further. Cleanliness, however, is a concern that needs addressing. Though seating is limited and takeout seems preferred, the consistent quality keeps customers returning despite rising prices. With efficient service and a busy lunchtime atmosphere, this restaurant remains a top choice for teriyaki enthusiasts in the San Fernando Valley.
