On this site, you will find the **complete menu** of **1285 Restobar** from Florence. Currently, there are **108** menus and drinks available. Nestled in the heart of [Florence](#), this restaurant presents a mixed bag of experiences. While some patrons rave about the excellent food, such as crab ravioli and well-cooked scallops, others express disappointment over inattentive service and overcooked dishes reminiscent of outdated Italian fare. Guests appreciate the inviting atmosphere and friendly staff, especially the dog-friendly outdoor seating. However, inconsistencies in service timing and menu availability often lead to frustration. Overall, if you seek a vibrant ambiance paired with solid meals, this establishment might be worth a try—but be prepared for the occasional hiccup in service and food quality.
