The restaurant from [Charlotte](#) offers **110** different **menus and drinks on [the menu](#)** for an average price of \$14.2. Stoke restaurant offers a mixed dining experience according to recent reviews. While some have praised the good food and service, others have criticized the slow service and noise levels due to the restaurant's location in a Marriott hotel catering to convention goers. The atmosphere is noted as unique and historic, with fine food served in a professional manner. The open kitchen is a highlight for some, while others find the noise levels distracting. Overall, the food receives mixed reviews with some dishes being excellent while others are deemed average. The service seems to vary as well, with some experiencing exceptional service while others note longer wait times and potential understaffing. Ultimately, Stoke offers a unique dining experience worth trying, especially for those looking for something beyond basic bar food in the area.
