The menu of Tuscany on Taylor from **Chicago** contains about **111** different dishes and drinks. On average you pay about \$18.4 for a dish / drink. Dinner at Tuscany was a delightful experience, with outstanding food and service. The pear ravioli, short rib ravioli, and gnocchi were all delicious, with the cannoli standing out as a highlight. The restaurant's service model was attentive yet not intrusive, making for a truly pleasant dining experience. However, not all reviews were positive, as one guest had a terrible experience at the hotel restaurant, citing loudness, disorganization, and poorly seasoned food. On the other hand, another guest had a wonderful experience celebrating a birthday, with fresh pasta and a special dessert. Overall, Tuscany on Taylor was praised for its amazing Italian food, generous portions, and great ambiance, making it a go-to spot for many in the neighborhood.
