The restaurant from Freehold offers **114** different **menus and drinks on [the menu](#)** for an average price of \$13.3. ****Restaurant Review: A Mixed Bag of Experiences**** This restaurant evokes a spectrum of opinions. While many patrons applaud the warm, welcoming staff and commendably fresh, flavorful gyros, others lament inconsistent food quality and issues with online orders. Some diners were disappointed by overly processed meats and lackluster rice. However, the atmosphere is often described as clean and inviting, contributing to a comfortable dining experience. Enthusiastic customers praise signature dishes, particularly gyros enhanced with spicy feta. Despite the occasional mix-up, the overall sentiment suggests a genuine local gem that, when experienced in-house, can deliver delightful Greek fare.
