A **comprehensive [menu](https://menuweb.menu) of The Palm [Beverly Hills](http://www.thepalm.com)** from Beverly Hills featuring all **113** dishes and drinks can be found here on the menu. The Palm is a long-time favorite that never disappoints with terrific food, although some found the service to be slower on certain occasions. Pampano offers delicious and creative Mexican seafood in midtown Manhattan, perfect for lunch or business meetings. The authentic flavors of the dishes transport diners to nostalgic memories, and the swordfish appetizer and pisco sour are highlights. While pricey, The Palm is considered worth the cost for its delicious food, excellent service, and fun atmosphere. Overall, Pampano received positive reviews for its great food, service, and ambiance, despite some minor concerns about portion sizes and seating arrangements.
