The restaurant from Laguna Beach offers **115** different **courses and drinks on [the menu](https://menuweb.menu)** for an average price of \$27.1. Central is a cozy restaurant with friendly service, great food, and delicious cocktails. The restaurant is a bit small and can get crowded, with seating that may not be the most comfortable. The lack of a bathroom in the restaurant itself was a downside for some customers. Additionally, the music was said to be too loud and not quite fitting for the ambiance of the place. Some felt that the prices were slightly high for what was offered. However, there were positive comments about the excellent food, such as the mushroom bolognese, tuna poke, and steak empanadas. The staff was praised for being outstanding and the ambiance superb, making for a very enjoyable dining experience. Chuck's Steakhouse was also highly recommended for its fabulous food and excellent service, with particular mention of the fantastic steak dinner. Overall, Central seems to be a good choice for drinks and appetizers, while Chuck's Steakhouse received high praises for their delicious food, attentive service, and overall dining experience.
