The place from Grand Rapids offers **117** different **dishes and drinks on the menu** at an average price of \$7.2. This Thai restaurant has received mixed reviews from customers, with some praising the delicious food, friendly staff, and gluten-free options, while others were disappointed by the quality of the dishes and the lack of authenticity in the flavors. Despite some complaints about undercooked rice, stale dishes, and a disappointing level of spiciness on some dishes, many diners appreciated the generous portions and variety on the menu. The ambiance of the restaurant was considered to be pleasant, but some customers had issues with service and meal presentation. Overall, the restaurant seems to have potential but may need to work on consistency and customer satisfaction.
