The menu of Athens Pizza from Auburn comprises about **116** different dishes and drinks. On average you pay about \$6.9 for a dish / drink. Athens Pizza and Pasta, a long-standing favorite in [Auburn](#), offers a vibrant atmosphere complemented by attentive service. While many patrons praise the delicious grinders, particularly the pastrami, and the excellent baked spaghetti, recent visits have evoked disappointment over portion sizes and food quality. Guests note inconsistent experiences, with some enjoying perfectly cooked pizzas while others find the dishes lacking. Despite the setbacks, Athens remains a beloved spot for its nostalgic value and community spirit. With a welcoming ambiance and a passionate owner, it continues to be a cherished destination, despite occasional culinary missteps.
