The restaurant from [Chico](#) offers **117** different **courses and drinks on [the menu](#)** at an average price of \$6.4. At this local coffee shop, customer experiences vary widely. While some patrons praise the exceptional lattes and delightful food, particularly the Nic Biscuit, others express dissatisfaction with the service. Reports of unwelcoming staff behavior and indifference have left several customers feeling unappreciated, particularly those who visit frequently. Additionally, while the coffee shines, certain menu items, such as the cookies, have garnered negative feedback. Overall, the establishment holds potential but needs to refine its service approach.
