The place from Baltimore offers **118** different **dishes and drinks** on [the menu](#) at an average price of \$13.2. A recent visit to the restaurant left diners disappointed with the quality of the food, with tough chicken on the pizza and undercooked noodles in the spaghetti. Another customer found the cheese ravioli too cheesy and the portions small. However, others had a more positive experience praising the meat lovers pizza and Italian atmosphere. The cheese steak was highlighted as the best in a long time, while the New York-style pizza was enjoyed but with a minor issue with the sausage topping. Overall, opinions on Pasta Mista vary, but it seems worth a try for pizza and pasta lovers.
