The restaurant from Centennial offers **129** different **menus and drinks on [the menu](https://menuweb.menu)** for an average price of \$12.2. Local neighborhood gem Farro Italian exceeded all expectations with delicious food, friendly staff, and a great atmosphere. Diners enjoyed dishes like eggplant and parmesan fries, chicken marsala, and nutella mud pie. While some experienced a few hiccups with their orders, others praised the seafood farro dish and Tuscan Meatloaf. The wine list was praised, though the grappa was lackluster. Overall, Farro Italian impressed most with its excellent service and tasty food. A must-try for those looking for a casual date night experience in Denver.
