The menu of The Lazy Donkey from Moore contains about **120** different courses and drinks. On average you pay about \$10.4 for a dish / drink. Nestled in a suburban setting, this restaurant has garnered varied impressions from patrons. While some diners praise the flavorful white queso and plentiful menu options, others express disappointment with inconsistent service and lackluster food quality. Highlights include the massive Burrito Texano and popular shrimp dishes, yet reviews caution that some items taste pre-packaged. Service experiences differ, with friendly staff sometimes overshadowed by aloofness. Although many enthusiasts plan return visits, others, unfortunately, find their dining experience underwhelming. Ultimately, the restaurant presents an enticing yet unpredictable culinary journey worth exploring—just temper expectations.
